Briarpatch Youth Services, Supervision- Interns manage a small caseload of juvenile clients experiencing multiple problems, including illegal behavior. Develop case plans. Negotiate restitution agreements, place clients in jobs and community service situations. Collect payments. Attend court hearings, develop new job sites, and counsel clients. Supervise work teams. **May be starting two weeks prior to semester. Private transportation helpful. Valid, unrestricted driver's license required. 8-12 hours/week.**
<http://www.youthsos.org/programs/court-involved-youth/intensive-supervision-mockup>

Dane County CASA (Court Appointed Special Advocates) provides advocacy and mentorship through community volunteers to young people who have experienced abuse and neglect and are under the authority of the Dane County Juvenile Courts. The mission of Dane County CASA is to be an independent voice for these children under legal protection. Each year, CASA infuses thousands of hours of volunteer work by its highly trained CASA volunteers into the juvenile court system, and into the lives of the children we serve. We do this by training, supporting, and supervising community based volunteers who advocate for these young people in the community and in the courts with their best interest in mind. Volunteers can serve on cases where the child is involved in Child Protective Services and/or Youth Justice cases. Brief Description of Intern Activities: Helping to coordinate volunteer efforts on a case (including communicating with CASA volunteers, birth/foster parents, and CPS social workers) shadowing case coordinators in court proceedings, visits with CASA kids, and team meetings; helping with ideas and content for monthly volunteer trainings; attending staff meetings and CASA staff meetings; planning visits and brainstorming visit materials/ideas; attending juvenile judges meetings with judges and legal parties; reflective supervision. A car is not required but we are based out of The Canopy Center: 2445 Darwin Rd. Ste. 15 Madison, WI 53704. Our office is accessible by bus routes off of the Capitol Square and Campus area (route 2 and route 4 to route 20). The student will take part in our Initial training – a 7 week training, 1 night per week, 3 hours. **Students must be 21 years old. 10 – 15 hours per week. Application required.** <http://canopycenter.org/programs-services/casa.html>

Dane County Community Restorative Courts The CRC provides young adults who are 17-25 years old and who have committed misdemeanor law violations in South Madison an opportunity to appear before a group made up of community members (prior to being charged) to ensure accountability, determine alternative sanctions and to help repair the harm done to the victim of the crime. It will also seek to help the offender with issues related to employment,

healthy relationships, basic needs, and other personal matters to prevent re-offending. The CRC receives referrals of young adults, age 17-25 in South Madison, from law enforcement, the District Attorney's office and the community. Interns assist in providing case management, intake, leading court sessions, contact with referred individuals, community members and those who have been victimized. **12-15 hours per week**

<https://crc.countyofdane.com/description>

Dane County Juvenile Court, Detention Center Detention is a secure environment for juveniles placed temporarily by the court due to statutory reason such as, believe that if released the juvenile would cause harm to other persons, would be unavailable for further court proceedings or were found to be in violation of a valid court order and rules of supervision. Interns assist in providing care, supervision, school support and other programming. Opportunity for court observation and work with other Juvenile Court programs. **8-12 hours per week**

<https://www.countyofdane.com/juvenilecourt/>

Focused Interruption Coalition – more details coming soon.

Goodman Community Center, Lussier LOFT Program Preventative community program offered to low-income middle school youth, primarily from minority communities, to help keep them on track socially and academically. Interns offer academic assistance, such as tutoring, to help to ensure that school assignments are completed. They will also assist in enrichment programs such as MediaWorks (a digital media arts program, no prior technical experience required), field trips, art, sports, gardening, photography, etc. **Afternoon/evening hours. 10-12 hrs per week**

<http://www.goodmancenter.org/programs/middle-high-school-afterschool>

Holly's House Adult Family Care is a residential setting working with adult forensic clients in the community. Interns interact with residents and help guide them to reasonable and responsible decision making. A unique opportunity to see the difference between how a client presents in a short clinical appointment and the reality of their choices during real-life events. Engage residents in activities such as games, cooking, etc. Help residents with activities of daily life. As this is a family owned program a website does not exist. **12-17 hours per week.**

Just Bakery- (through Madison area Urban Ministry)-

This is a career training program where individuals with criminal histories and homelessness can take classes where they learn baking skills and earn cooking certificates to help them find employment and provide them with case management. The majority of the clients are currently incarcerated and are participating in Huber which allows them to take the cooking classes at the bakery. **10-12 hours per week.**

<http://emum.org/what-we-do/justbakery/>

Madison-area Urban Ministry – Youth Programs and Returning Prisoner Simulations Assistant to Youth Programs and Returning Prisoner Simulations - Interns plan and facilitate group activities for youth in MUM's Mentoring Connections programs and assist in coordinating Returning Prisoner Simulations in the community. **Internship Description in Fall/Spring Placement evaluation binders. 8-12 hours per week.**

<http://emum.org/what-we-do/simulations/>

Marsy's Law Interns for Marsy's Law will be working alongside field staffers as they perform the duties in order to amend the Wisconsin constitution and provide rights to victims of crime. Interns will place calls to victims of crime, assist in organizing volunteers, and attend events throughout the state as we attempt to remedy the unequal treatment of victims and perpetrators of crime within the justice system. <https://marsyslaw.us/marsys-law-state-efforts/wisconsin/>

MRI study with MRN at Mendota Juvenile Treatment Center (MJTC): Interns will be working with Research Coordinators on the current MJTC study as well as individuals in the follow-up study while gaining experience in the juvenile and criminal justice system. They will gain experience in a variety of psychological and personality assessments such as the PCL, trauma, AODA, crime, and IQ. Interns will see how to utilize prison files, public record sites, and social media searches to locate and contact follow-up participants. They will also learn how to enter data into the MRN COINS database as well as tracking information on a variety of spreadsheets. No previous research experience is necessary, although experience with adolescents is preferred.

National Council on Crime and Delinquency- NCCD works with states, counties, legislators, law enforcement, and public and private organizations to demonstrate, test, and evaluate innovative alternatives to ineffective and costly justice practices. Interns will assist in analyzing data and writing reports. **12-15 hours per week.**

<http://www.nccdglobal.org/>

Operation Fresh Start An Education and Employment Skills training program for disconnected youth ages 17 to 24. Interns assist with one-on-one youth tutoring, and other organization building projects.

8-10 hours/week.

<http://www.operationfreshstart.org/>

RISE Law Center of End Domestic Abuse WI RISE is a non-profit law office providing access and justice for underserved communities in Wisconsin. Committed to providing culturally relevant legal representation to meet your family law, protection orders and immigration needs. Assist with legal applications and filings, administrative duties, client correspondence, etc. **Second language skills desired. 10-12 hour per week.**

<http://www.riselawcenter.org/>

Sand Ridge Secure Treatment Center – Division of Care and Treatment Services. Provides specialized treatment services to person committed under Wisconsin's sexually violent persons law, Chapter 980, Wisconsin Statutes. The intern position is in the research department and the intern can expect to be involved with research projects that involve understanding sexualized violence and treatment of individuals who commit sexual offenses. Duties may include data entry, data coding, and direct collection of data from patients. Interns will be given the opportunity meet with staff from other departments including the treatment department and evaluation unit as well as observe treatment groups. The majority of the time will be spent at our satellite office which is located on the campus of the Mendota Mental Health Institute. Agency requires a two semester commitment at 10 hours per week. <https://www.dhs.wisconsin.gov/sandridge/index.htm>

U.S. Drug Enforcement Administration Interns learn investigative techniques, sit in on operation briefings, transcribed audio, listen to jail calls, watch surveillance video. **About 15 hours per week. Extensive pre-internship process (about 3 to 6 months, including drug test, background paperwork, etc).** <https://www.dea.gov/>

U.S. Probation and Pre Trial Services Provides pretrial & supervised release service to federal offenders. Interns will be exposed to many aspects of the federal justice system. Assist with requesting records, compiling and reviewing pre-sentence investigations, attend sentencing hearings, conduct bail evaluations & home visit. **12-16 hours per week.**

<http://www.wiwp.uscourts.gov/>

UW-Law School's Consumer Law Clinic (CLC): Consumer protection is a dynamic, growing area of practice at state and federal levels. The CLC represents individuals and advocates for Wisconsin consumers to address a range of issues such as unfair debt collection practices, predatory lending, fraud and misrepresentation. Interns will observe client interviews, conduct fact research, attend classroom instruction, discussion and case rounds, observe court proceedings, assist with clerical duties, develop client outreach program and help to explore emergent legal needs such as student loan default and collection. For more questions, contact the Clinic Director, Sarah Orr, at sarah.orr@wisc.edu. <http://law.wisc.edu/eji/clc/index.html>

UW Law School - Law & Entrepreneurship Clinic: provides free legal services for startup businesses throughout the state of Wisconsin. Students work with early stage entrepreneurs to solve company formation, intellectual property, financing, tax, and regulatory issues. Interns will participate in client interviews, meet with students and supervisors to discuss issues, attend classes, and assist with Clinic projects. Interns are encouraged to be entrepreneurial and explore topics of interest. **For questions or to submit a cover letter and resume, email entrepreneurhelp@law.wisc.edu.** You can find more information at www.uwle.org. Please 'cc us at cjcp@ssc.wisc.edu if applying.

UW Law School-Family Court Clinic- The Family Court Clinic is a community-based clinical law program serving Dane County's low-income residents. Students work on both individual client cases and perform community outreach through regular clinic hours at the Dane County Courthouse. Through their work, law students regularly engage with consumers from all economic, cultural, and educational backgrounds. They help consumers with their family law matters

through answering questions, explaining court procedures, and assisting with form completion. Our courthouse clinic hours vary during summer and the school year but each law student staffs a three-hour shift each week. As part of your internship responsibilities you will be expected to observe court hearings, observe and assist with the FCC Courthouse Clinic, and handle a shift with our intake line at the Law School to schedule appointments with consumers. **10-12 hours per week.** <http://law.wisc.edu/eji/familycourt/>

UW-Law School's Immigrant Justice Clinic (IJC), represents non-citizens in immigration detention, including asylum seekers and residents of Dane County facing deportation because of immigration infractions. Interns at IJC interview immigrants at the Dodge County Detention Center and help assess their eligibility for relief from removal. They gather corroboration for cases in litigation, research country conditions for asylum cases, staff IJC's telephone intake line, and assist with case management and IJC's digitization project for its files. They will have the opportunity to attend seminar classes concerning substantive immigration law and lawyering and court hearings for IJC cases. **Second Language skills preferred. 10-12 hours per week** <http://law.wisc.edu/eji/ijc/index.html>

UW-Law School's Neighborhood Law Clinic (NLC) is a community-based poverty law clinic with an office on South Park Street and in the Law Building on Bascom Hill. Law students in the clinic appear in court and provide representation to clients in rental housing, public benefits, and unpaid worker cases. Interns will observe client interviews, assist with law office clerical duties, and may also: attend law classroom discussions, assist in community project advocacy, research on legislative issues, community legal education outreach and mobilization. **10-12 hours per week** For more questions, email the Clinic Director, Mitch at mitch@wisc.edu. <http://law.wisc.edu/eji/nlc/index.html>

UW Law School and Madison Police Department- Wisconsin Alcohol Policy Project: Place of Last Drink This project will compile data from OWI arrest reports and Alcohol/Drug Influence Reports (SP4005) to identify and analyze alcohol serving patterns by Dane County licensees. Interns may work out of the Law School and or at the City of Madison Police Department, working closely compiling identical data set for the city of Madison, then coordinate compilation of county-wide data. **10 hours weekly. Placement will accept 2 interns, both will work out the Madison Midtown Station and Law School,** Final report of the first phase of the project may be found here: www.ssc.wisc.edu/clsj/documents/POLD_MPD_InternalReport.pdf <https://law.wisc.edu/wapp/>

UW Madison, Office of Student Conduct and Community Standards Interns work on independent projects, compile data, provide administrative support to Student Title IX committee. Help review case findings on reported assaults and disciplinary actions. **About 8 hours per week.**

Updated link: <https://doso.students.wisc.edu/sexual-assault-dating-and-domestic-violence/>

UW Madison Police Department UW-Madison Police Department provides complete law enforcement services to the campus community. All our police officers are deputized by the Dane County Sheriff, and are authorized to enforce all State of Wisconsin laws and Rules of the Board of Regents. Interns will learn all aspects of services provided by the UW Police and Security for the UW-Madison Campus and related areas. In addition, UWPD will assign each intern a project. **Application Required. 12-20 hours per week.** <http://uwupd.wisc.edu/>

UW School of Human Ecology--Improving Outcomes for Incarcerated Parents and Their Children During Jail Visits

The purpose of this multidisciplinary research study is to develop and examine the feasibility, acceptability, and preliminary efficacy of a multi-level intervention to improve family visits between children and incarcerated parents in Dane County Jail. The intervention will focus on fostering positive family interactions through coaching during jail and home visits, creating family friendly and child appropriate spaces for jail visits, and promoting other correctional systems and facility-level changes that support child-parent contact such as offering in-home visits via laptops. Interns will support delivery of the intervention and assist with data collection and other related research tasks. <https://research.wisc.edu/funding/uw2020/round-4-projects/improved-outcomes-incarcerated-parents-children-enhanced-jail-visits/>

UW School of Social Work—Pathways for Parents after Prison

The purpose of this research study is to develop and test the feasibility of a preventive intervention that promotes positive child and family outcomes using a multimodal approach to support fathers in reentry from prison. The

intervention, delivered in partnership with Madison-area Urban Ministry, will focus on increasing parenting skills and knowledge, as well as fostering maternal and extended family engagement to enhance co-parenting and father involvement, and strengthen family bonds. Interns will work on a variety of research related tasks including delivery of the intervention, and data collection management, and analysis. <https://socwork.wisc.edu/directory/pajarita-charles>

WI Department of Corrections, Division of Community Corrections Probation and parole agents assess an offender's risk and needs for programming, supervise offenders daily in the community, and also provide investigative services to the courts, the Division of Adult Institutions, and the Parole Commission to aid in sentencing and community reentry planning. Interns work with an agent, supervising clients living in the community or in prison. Duties include interviewing clients, conducting home and jail visits, case planning, attending court, and referring clients to local programs. **Must have a valid unrestricted driver's license. 16-20 hours per week. Students will need to pass a background check.**

<http://doc.wi.gov/community-resources/probation-parole>

WI Department of Corrections, Preparedness and Emergency Response Section: Interns assist in managing ICS exercise requirements for the DOC in all the prisons, facilities, and regions (adult and juvenile) across the State. Fill an administrative role in documentation, attend trainings and co-facilitate exercises in a correctional facility/regional office.

WI Department of Justice, Bureau of Justice Information and Analysis (BJIA) Goals are to support policy and data-driven decision making through criminal justice research, analysis and program evaluation. Depending on background and experience, interns would be directly involved in various research-related efforts including conducting literature reviews, collecting data, identifying and addressing data quality issues, analyzing trends and patterns, and creating charts, graphs, tables, maps, and/or written reports based on the data analyzed. Other tasks may include making phone calls, report editing, developing documentation, and related activities. Interns would work directly with existing staff on various analysis projects and would have the ability to attend any training sessions offered by the BJIA. **15 hours per week.**

<http://www.doj.state.wi.us/dles/bureau-justice-information-and-analysis>

WI Department of Justice, Crime Lab Bureau WSCL internship program offers students the ability to apply classroom theory, gain practical forensic experience in a variety of disciplines, and increase their post-graduate marketability. Internships are only offered when a specific project has been identified that furthers the mission of the WSCL. Students are given individual projects within their placement unit (for example, DNA or fingerprinting, etc.).

Please consult website for Unit Specific Requirements. Application Required. 10-12 hours per week. Application Deadline for Spring Internship: October 1. Students should apply directly to agency and precisely follow directions on website:

<http://www.doj.state.wi.us/dles/crime-labs/crime-lab-internships>

WI Department of Justice, Crime Victim Services. Interns work primarily in two program areas: the Crime Victim Compensation Program and in the Grants and Other Programs area. Crime Victim Compensation: Interns assist program staff by reviewing police reports related to crime victims' claims and write law enforcement summaries to assist claims specialists in making eligibility determinations for the compensation program; other tasks may include making telephone calls, attending meetings, assisting with support staff tasks. May help with projects such as revenue recovery work. Grants: Assist grants manager with program site visits, grants database, and other programmatic tasks; read program reports. Other Programs: SAFE Fund – Follow up with hospitals and patients to secure information; assist with other correspondence in order to ensure payments are made. **10-12 hours per week**

<http://www.doj.state.wi.us/ocvs/office-crime-victim-services>

WI Department of Justice, Division of Criminal Investigations The WI Department of Justice, Division of Criminal Investigation (DCI) provides investigative support and services to law enforcement agencies. DCI special agents and criminal analysts investigate crimes that are of statewide nature, importance, or influence. Please see webpage for information and requirements beyond what is listed below. **Application Deadline for Spring Internship: October 1. Students should apply directly to agency and precisely follow directions on website:**

<http://www.doj.state.wi.us/dms/dci-internship-opportunities>

***Wisconsin Statewide Information Center (WSIC)** –A multi-agency, multi-disciplinary information sharing environment serving federal, state, local, tribal, territorial, public and private sector stakeholders with an “all crimes, all hazards, all

threats” approach. Interns assigned to WSIC can support a variety of functions, including but not limited to, various homeland security-specific tasks, forensic criminal intelligence analysis, investigative functions, and criminal case support. Additionally, interns can assist with a variety of programs/projects within the Criminal Intelligence (Forensic) Unit (including but not limited to projects involving cybersecurity and combating human trafficking), the Wisconsin Crime Alert Network, DCI’s Technical Services Unit, the Wisconsin Clearinghouse for Missing and Exploited Children and Adults, the Silver Alert Program, and the Threat/Fusion Liaison Officers Program. Students majoring in Psychology, Computer Science, Criminal Justice, English, Human Resources, Homeland Security, Information Technology, Legal Studies, Office Administration, Political Science, Social Work, and/or other related fields are encouraged to apply. This internship is for students who like problem solving (research) and critical thinking. **Interns who are able to stay on for a year or more are given priority. 12-15 hours per week. Application Deadline for Spring Internship: October 1. Students should apply directly to agency and precisely follow directions on website: <http://www.doj.state.wi.us/dms/dci-internship-opportunities>**

***Field Operations Bureau** –DCI interns assist special agents with case-related and investigative duties. These duties may include execution of search warrants, surveillance, records review, and intelligence and information gathering. Traditionally, interns assigned to these bureaus are completing course work in criminal justice or related fields. Typically, interns are assigned to a particular office rather than a particular bureau or focus area, as needs dictate. **12-15 hours per week. Application Deadline for Spring Internship: October 1. Students should apply directly to agency and precisely follow directions on website: <http://www.doj.state.wi.us/dms/dci-internship-opportunities>**

***Internet Crimes Against Children Task Force** program – A network of law enforcement and non-governmental agencies dedicated to the investigation and training of issues related to internet-based crimes against children. Interns assigned to the ICAC Task Force assist the director and ICAC program staff with program management duties. The intern will monitor tools used to help track case, statistical, and affiliate information, as well as other projects as needed. Interns will conduct online queries and are expected to have an understanding of social networking and apps, in order to help with website design, social networking account management, and newsletter development. Knowledge of excel preferred. Traditionally, interns with the ICAC Task Force are completing course work in administrative, business management, marketing, or other related fields. The internship is located at DCI Headquarters on the Capitol Square in Madison. **12-15 hours per week. Application Deadline for Spring Internship: October 1. Students should apply directly to agency and precisely follow directions on website: <http://www.doj.state.wi.us/dms/dci-internship-opportunities>**

Requires private transportation. 12-15 hours per week.** <https://doc.wi.gov/Pages/AboutDOC/JuvenileCorrections/GrowAcademy.aspx>

WI Department of Juvenile Corrections: Probation/Parole- Last placement spring 2014

Under the supervision of the Corrections Field Agent and Corrections Field Supervisor, interns will assist in identifying the nature and causes of juvenile offenders' problems, develop case plans designed to address offender/community needs, and implement and monitor offenders' case plans. Interns may work with staff to provide individual, group and family counseling and guidance, provide services to protect the public, perform liaison functions with human services agencies, local units of government, and law enforcement agencies. Students will learn to refer and develop community and other resources. This position may provide a variety of services for a targeted caseload or program including Corrective Sanctions, Juvenile Parole and Serious Juvenile Offender. The work at this level is highly responsible and requires significant professional judgment and include accountability for actions. The intern shall comply with the Department's administrative rules and the agency's policies and procedures including those related to the Department's overall Reentry philosophy of using evidence-based strategies, practices and programs which target a youth's individual criminogenic needs and risk level. ***Must have a valid unrestricted driver's license. 20 hours per week.**

WI Office of the State Public Defender, Assigned Counsel Division- ACD interns are placed in the central administrative office in Madison. Attorneys with the Office of the State Public Defender are not able to offer services to all eligible defendants due to a number of reasons including conflict of interest, multiple defendants on a case needing representation, caseloads, etc. The office is responsible for contracting with and overseeing all outside private bar counsel to represent eligible clients. Interns are exposed to the functions of the office and participate in daily functions as well as special projects. **10-12 hours per week.** <http://wispsd.org/index.php/for-the-legal-practitioner/spd-assigned-council-division/welcome-to-acd>

WI State Patrol The Wisconsin State Patrol enforces traffic and criminal laws; helps motorists in need; inspects trucks, school buses and ambulances; and helps local law enforcement agencies with natural disasters or civil disturbances. Interns participate in ride-alongs, write reports, technical trouble shooting, information collection and observe multiple facets of State Trooper roles. **8-12 hours per week**
